

## Welcome

to the TOWNHOUSE pub 2013 Beer Festival.

This is our 12<sup>th</sup> festival and we have only been able to keep it up with your help. We would like to extend our most grateful thanks to Phil 'Wiggy' Wignall – Beer Finder Pursuivant - for all his help, again, this year. We would also like to thank Julian Church [www.jchurchbrewery.co.uk](http://www.jchurchbrewery.co.uk) for his help, Buntingford Brewery for Wiggys birthday beer – on Thursday – and all the breweries for their continued effort in delighting us Average Joe's with some splendid quaffable tipple.

Well, enough of this chit chat chit chat chit. Onward and upward, and, possibly beyond my fellows, to the exquisite kiss of the nectar from the breast of the Gods.

Prost!  
The TOWNHOUSE pub

Beers are served as either Pint or Half Pint measures. We can serve Third Pint measures but all three thirds must be purchased at one i.e. as a single pint.. All the beers are priced the same (to avoid confusion).
